# COMPANY PROFILE

## ABOUT US

After 23 years of deep cultivation in the consumer electronics industry, MTVE was officially established in 2019. It is a technology company that integrates research, production and marketing of TV sets, monitors, smart screens, commercial machines and other casings, accessories, kits, and complete TV. The company is located in Huadu District, Guangzhou City, near Baiyun International Airport, with smooth traffic and logistics. It has beautiful staff living quarters, spacious office buildings, digital and intelligent injection molding, metal back cover, backlight, CKD, SKD, complete TV assembling production line and workshops. The main business products include 15-19, 21.5-22, 23.6-23.8, 28-32, 39.5-43, 45-50, 55-58, 65, 75, 85, 110-inch TV sets, monitors, education machines, advertising machines and other intelligent business display series of casings, accessories, kits, complete machines and other products, which can provide diversified and customized services according to customer requirement.

A gentleman should constantly strive to be strange just like the evolution of the universe. Step by step, lay a solid foundation, and make good progress. Reputation first, customer first! is the permanent commitment of all employees of our company!

With 23 years of industry experience, we have gathered experienced R&D, manufacturing and sales teams, adhering to the concept of "scientific and technological innovation, professional efficiency, democratic harmony, and win-win cooperation", and adhering to the policy of "survival by quality, development by reputation, efficiency by management, and market by service", and constantly pursuing excellence. The company took the lead in being rated as "National High-tech Enterprise" and "AAA Credit Management Demonstration Unit" and passed the "ISO9001" series international quality management system certification.
