About Us

Our deep immersion in the industry has unveiled future possibilities for us

Over the past two decades, as a factory, we have served a multitude of professionals in the beauty industry. We supply products to distributors and entrepreneurs, who often approach us with a rendering and inquire, "Do you have this product? Do you have everything that's in the picture?" Observing this recurring scenario, we aspired to provide tangible solutions to such issues. Thus, we established Wongs, with the intent to offer a comprehensive range of scene-specific furniture to our clients in need. Whether it's a salon chair, a massage table, or even a small pair of scissors, we are committed to going the extra mile to find exactly what you require.

Our Vision

To provide comprehensive support to beauty entrepreneurs, helping them establish themselves in a competitive market, improve service quality, and increase revenue.

Jason

Founder and CEO

For me, the beauty industry is not just a simple business, but a career that my family has dedicated decades to. I hope that in the future, when people come to a hair salon, they can say, "This is a Wongs chair," or "This is a chair designed by Jason."

Why Us

Design Consultation

We provide design references based on the floor plan of your space and the desired effect of the accompanying furniture.

One-Stop Procurement

We solve all your salon furniture needs. Whether it's sofas, table lamps, or coffee tables, we will do our best to source everything for you.

After-Sales Service and Maintenance

We provide product warranties and regular inspections to ensure the long-term stability of your equipment and furniture.

Quick Response After-Sales Service

If any equipment issues arise, we will respond quickly and provide repairs to avoid disruptions to your store's operations.

Be Our Dealer

Minimum Order Quantity (MOQ)

We tailor solutions based on your specific needs, helping reduce inventory pressure and minimize overstock risk.

Marketing Support

We provide comprehensive marketing support, including product materials and promotional strategy guidance.

Competitive Pricing Guarantee

Our dealers enjoy competitive pricing strategies to ensure you maintain a strong pricing advantage in the market.

First Access to New Products

As our dealer, you'll be the first to access our latest products and styles, staying ahead of market trends

Wongs' Star Series

The Star Series represents Wongs' most iconic products across various categories. These are not only the best-selling items over the years but also the result of our strict material selection and optimized supply chain. It is the most recommended and worthwhile collection to invest in.

Wongs' Salon Barber Chair

—YP-8827

The Elegante Barber Chair features an exquisite design inspired by Italian elegance, blending classic and modern styles. Its high-strength aluminum alloy frame is both lightweight and durable, ensuring stability for high-frequency commercial use. Filled with high-density memory foam and covered in premium leather or vinyl, it offers ultimate comfort. The chair combines vintage elements, like a polished base, with modern functionality, creating timeless appeal. Equipped with an adjustable backrest, flip-up footrest, towel rack armrests, and a smooth tilting mechanism, it enhances both the barber's ease and the client's experience, making it a perfect addition to any salon.

Wongs' Salon Barber Chair

—YP-235

Wongs' Salon Stylingr Chair—YP-235 offers the perfect position for eyelash extensions, eyebrow grooming, and hairdressing services. Its sleek, modern design adds a unique touch to your salon space, while the durable, high-quality PU leather surface is easy to clean — a simple wipe keeps it looking fresh.

The chair features an ergonomic structure with a backrest that reclines up to 135°, and a hydraulic pump for smooth, precise height adjustment. Integrated armrests enhance the streamlined look and provide full-body support. A footrest supported by dual pillars adds extra stability and prevents contact with wet floors — making it suitable for use even in spa or wet treatment areas.

Wongs' Salon Barber Chair

—YP-8846

YP-8846 showcases a striking black-and-gold design, combining vintage ornamental metal craftsmanship with modern comfort to create a bold, high-end visual statement. The rounded backrest and structured detailing enhance both depth and a sense of enclosure, delivering a refined and luxurious atmosphere. Generously padded with high-density foam, the seat and backrest provide long-lasting comfort, ideal for extended service sessions. The electroplated metal frame not only elevates the premium look but also ensures excellent stability and durability. Featuring a footrest and multi-angle adjustments, it balances functionality with a strong sense of presence. Perfect for upscale barbershops and boutique salons, it serves as a statement piece that enhances brand image and supports higher service value.
