ABOUT US

IMOBILI. allaperto is a Sino-foreign cooperative outdoor furniture brand! It is an international brand created by Foshan Sanden Enterprise Co., Ltd., who has 15 years of experience in the production and sales of outdoor furniture, cooperating with Italian designers.

Our outdoor furniture is attractive to young people. Simplicity, leisure, and comfort are the main purposes of our design, with innovative materials and senses. At the same time, we realize the interconnection between indoor furniture and outdoor furniture, which is intended to be at the forefront of the trend of this industry.

IMOBILI.allaperto owns a factory of 20000 square meters. Our advanced production equipment and efficient team enable us to keep pace with the times. Based on a blend of passion for life and the pursuit of comfort, we transform art into our products.

We hope to bring the concept of an enjoyable, leisure life to everyone!

*Sketching Nature's Haven,
Embracing Moments of Serenity*

Inspired by Scandinavian summers, this teak-framed, rope-woven sofa blends coastal charm with artisanal craft. The breathable handwoven seat invites lazy afternoons, while sturdy teak legs echo sun-bleached driftwood. Designed for barefoot comfort and built for seasons. Where simplicity meets soul.
