1984年,美梦思(Memo's)诞生于中国家具制造之都——顺德龙江。从一张户外座垫起步,我们以织物为语言,重构户外空间的美学表达。如今,作为横跨户外家具全产业链的国际化企业,美梦思为全球高端住宅、滨海度假村及顶级邮轮打造模块化沙发、人体工学躺椅、多功能餐椅组合及智能遮阳系统,让舒适体验从庭院延伸至云端甲板。

Originally specializing in outdoor cushions, Memo's has expanded its expertise to encompass a comprehensive range of high-quality outdoor furniture. With over four decades of production and design experience, Memo's has emerged as a leading integrated manufacturer of outdoor living solutions for both residential and commercial markets worldwide. From cushions to complete furniture systems, Memo's combines exquisite craftsmanship with innovative engineering.

Its products are trusted by globally recognized partners such as Costco North America, Royal Caribbean Group, etc., serving diverse applications from luxury resorts to cruise ship decks.

美梦思产品获发明专利证书、ISO质量认证证书、BSCI认证、硬质纤维无毒检测报告及防螨抗菌检测报告等。

Memo's has obtained invention patent certificates, ISO, BSCI, polyester fiber non-toxic test reports, and anti-mite and antibacterial test reports, etc.

活氧绵 | 品质内涵 从绵做起

O₂活氧绵获得新科技发明专利。2023 年又新引进高端环保纤维绵生产线，优选石墨纤维、竹炭纤维、羊毛纤维、骆驼绒纤维、艾草纤维、海藻纤维、大豆纤维等多元化材料,广泛应用于高端套床、床垫沙发、座垫、过滤等领域上。纤维绵事业部还拥有自己的实验室和先进的检测设备，产品质量标准要求高于其他同行业水平，并承诺 60天无忧退换。

Oxygen hard polyester fiber has recently obtained a new technology invention patent. In 2023, we also introduced a high-end environmentally friendly fiber production line, featuring a diverse range of materials such as graphite fiber, bamboo charcoal fiber, wool fiber, camel hair fiber, Mugwort fiber, seaweed fiber, and soybean fiber. These fibers are widely applied in high-end bedding sets, mattresses, sofas, cushions, and filtration systems. Our Fiber Division includes its own laboratory and advanced testing equipment, ensuring product quality standards that exceed industry norms. We also offer a 60-day worry-free return and exchange policy.
