LAYING PATTERNS

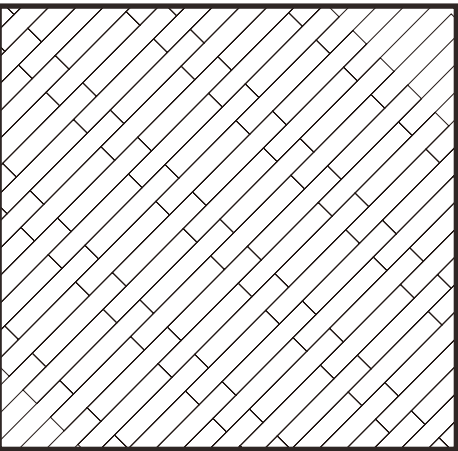

When it comes to laying Wood porcelain tiles, there are several methods to consider, depending on your preferences and the design of your project. Here are some recommended laying methods:

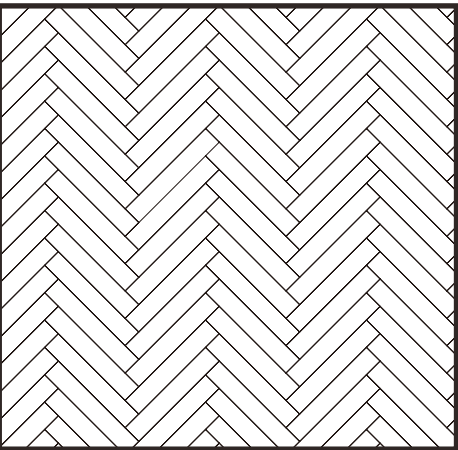

1/2 Overlap **X**

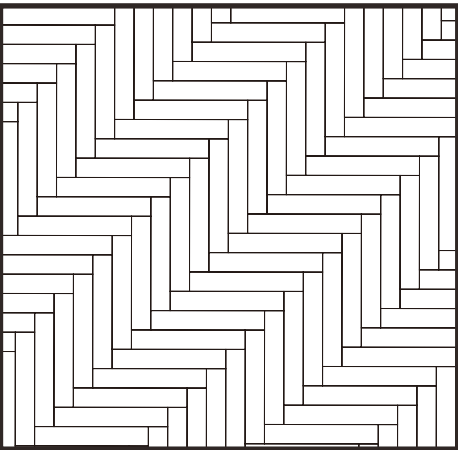

1/3 Overlap **✓**

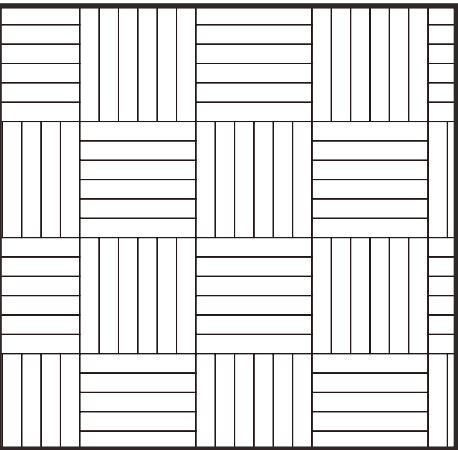

45° Random **✓**

45° Herringbone **✓**

The Random Pattern **✓**

Basket Weave
Paver Pattern **✓**

Before selecting a laying method, it's essential to plan and measure your space carefully. Some patterns may require more tile cutting and planning than others. Additionally, consider the overall design and style you want to achieve in your space, as different patterns can dramatically impact the look and feel of the room.
